Permit To Deliver Programs To Foreign Broadcast Stations

re: Actions Taken

The Commission, by its International Bureau, took the following actions pursuant to delegated authority. The effective dates of the actions are the dates specified.

INFORMATIVE

325-RWL-20220613-00002

Entravision Communications Corporation

Granted on December 09, 2022, subject to conditions, application 325 (c) permit by Entravision Communications Corporation to deliver programming to XHAS-TV, Tijuana, Baja California Norte, Mexico and operates on Channel 34 with an authorized power of 400 kW.

Grant of this permit is conditioned upon the Mexican stations operation in full compliance with applicable treaties and related provisions concerning interference to U.S. Broadcast stations.

This authorization is predicated on the use of a foreign station assignment, which must abide by the terms of the 1998 US-Mexico DTV Memorandum of Understanding. Hence, this program authorization applies only to the specific foreign station facilities which are currently on file with the Commission as having been officially coordinated by the Government of Mexico and subsequently approved by the Commission for operation. If the transmitter coordinates or technical operating parameters of the foreign station are altered subsequent to this authorization or are found to be different from those currently on file and approved by the Commission, this program authorization may be subject to immediate suspension without right to hearing.
